

Kaito Shibano

This is my first manga adaptation, and my first white volume, so I had to learn many things. Since it's my first manga, I still have a lot to learn, but I'll have fun if I get to enjoy the Ben-to world with Mr. Asaura's writing.

Asaura

Born in 1984 in Hokkaido. This time, thanks to our wonderful readers and Mr. Shibano's powers, Ben-to was adapted to manga. I'm grateful...I'm so grateful.!

犬本アサウラ

Asaura

I'll interrupt your manga to use the blank space for chit-chat. I'm the author of the original novels. It seems that I can write about anything, so I'll write about the character's backstories.

YUO KANESHIRO

I had the famous actor Tetsuya Kaneshiro in mind when I was naming him. He was originally set to be half-Japanese and half-Taiwanese, but after many revisions, this backstory went missing, so only his name remained in the end. Regarding his looks, I wrote many things in my original draft like his tall and lean figure and low voice, but to make it easier to imagine, I sent pictures of dogs to Mr. Shibano. I still remember him raving how about it. I looked for dog photos on the net, and found really cool, good-looking dogs with piercing eyes. When I found them, I immediately went "This is it!". After that, Mr. Shibano really made him as good-looking as you can see. The manga takes place a year before the novels, so his design has been made younger, but anyone who wants to see the dog in him can go look at the color spread.

KAZURA MURASAKI

Most of the heroines of Ben-to are named after flowers, as the symbolic meaning of the flowers are strongly linked to the character's theme. For example, Kazura Murasaki (紫草), or Morisakibana (紫草花) is "great help" in the language of flowers. That's what she really is to Sen. Also, she felt a bit of all-trades character, but when I wasn't looking, she turned into an puppy girl who loves SoFToy in the manga. I like SoFToy too.

ically,

Yeah

There are
rules on
getting
bento?

3. The products must not be damaged. Don't get too caught up and rip over a bento or something like that

2. Those who have acquired bento cannot be attacked

1. Each person can only get one bento

As long as you get a bento, you win. Simple, right?

Other than that, it's just an no-holds-barred, free-for-all race

However, don't think that you won't get attacked because you're not attacking

Of course. Many solves come up with practices that fit their abilities

Um... Then I can avoid fighting and just go for the bento?

If you have

If I'm going to fight for them, I might as well go for the red "Grilled Beef Bento"

Today's recommendations are the red "Grilled Beef Bento" and the "Green Fried Veggies Bento." Which one will you go for?

Look at the bento corner. Those are our prey for tonight

There's the Karasuda Wrestling Club

Well, I guess. But look over there

...Hm, but I want to eat the grilled beef

They're probably going after high-calorie bento. It's easier to go after the fried vegetables

From the very

thought about
getting the

Stomach's

You talked
about that
in the

* Low GI* Low Glycemic Index. Indicates how quickly the carbohydrates in the food break down into glucose. Low GI foods are effective in diets.

That's your
"Stomach's
Howl"!

In other words,
hunger that
makes you want

no matter what
makes you
stronger!!

let's talk
about
what you
should do

Then,

Why is

this?"

it!?

Y-Yes

From what
I saw, you're
good at
making
decisions

Making a dash

other Wolves'
attentions
was great

You just
need to get
over your fear
of getting
attacked.
You can handle
the others
with your
Stomach's Howl

Now let's
have a review
about which
berbo to
go for...

There's
more
to talk
about!?

Just how
obsessed
with half-price
bento is he?

That
took a
while...

Ah~...

けーり。

It doesn't look
that different
from normal
bento, so
what's the
difference...?

But I really
cooked
something
special in
that bento...

Thinking
about it
won't help
me...
I should
go home
and go to
sleep

Let's
go home
together!

WHA

DA-BEN

アサウラ

Asaura

Now, I'll continue talking about the other characters

Mikoto Uzu

I think she's the character who looks the best in the Karasuda High winter uniform, but what does everyone think? Personally, I like her very much, and I want her to show up more in the light novels as well. She's a relatively easy character to grasp, but I remember having problems with envisioning outfits in her lines, since she's supposed to talk in a small voice. Ah, speaking of problems, I really wanted to use the alternate pronunciation "Toritabato" as her name, but I thought that that was really weird, so long, story short, I ended up going back to "Uzu," which is where "Toritabato" came from.

SEN YAREZU

Sen Yarezu's motif is the dollface (the last half of her family name and her given name is 水山, the name of the Mannanai group). So to be honest, her design had a big problem: her hair was supposed to be black. However, Mr. Shibano drew her hair in that color for some reason. Her hair didn't have to be black, so to save time, I fixed the draft by cutting out parts that described her black hair. I asked Mr. Shibano about her hair afterward, and he said, "What? You wanted her hair to be black? Her name is given as 'The Ice Witch,' so I thought that her hair would basically be white." In the end, I concluded that if Yarezu's hair was black, it would have gotten too much focus and made her harder to distinguish from the others, so it was a nice improvisation on Mr. Shibano's part.

4th Course

Right?

I never thought that he had a weakness like this...

Haha...

I go there often, so if you want to be a Wolf... if you want Yuu... then you'll have to beat me first... okay?

If you're not satisfied... then come to the store of the "Old Master"

Old Master... the nickname of another super-market's beloved God of Discount

I see. If it's not an actual poison, then how about...

It's hard to defend perfectly against it. Of course, it would help if you don't expose your skin

to go there?

A new supermarket isn't guaranteed to have a bento that will satisfy me

The bento that my stomach howls for is the best one out there

I'm not participating this time, but aren't your chances against Uzu low?

But there's only one bento left, and it's a miso-marinated mackerel bento

has
a chance
here

I won't know
until I try

Like I've
said...
You won't
become
a Wolf...
I'll show
you why

Good
luck,
Wolves

Now...
Let's
begin

Get...
was it?
Don't worry.
I won't do
anything
until we
get there.

So...
you know?
...Are you
happy?

...I can win
against a
rookie
...even with
a handicap

I have to
go for it
all the way
to the bar!
!

The
difference
in power
between us
is obvious.
I can't make
a move
against her.

Hehe...

Handi-
cap...
That's great,
but what a
shame

Don't
mind if
I do!

※ The author of this work likes Soyjoy, which is a low oil food that works well in diets, keeps him full for a long time, and is quite delicious.

for You...P
Or...for
curiosity's
sake?

Before
I defeat you
I have one
question....
Do you want
to become
a Wolf...

Neither

because
I want to
eat half-
price bento!
That's all
there is
to it!!

I want
to become
a Wolf

There's something in her sleeve...!!

Wha !?

What an eye-bag!!

Wolfsbane!! You're wide open!!

Now!!

KUH

**I got
it!!**

Even though
I was
obnoxious,
it's true
that she
got it

I want to
easy on
you...

I would
never have
thought...
that you
would
accept
Uru

but I get
that you're
serious...
so I'll
accept
you...
for now.

Sen
Yarizui

Sample the
taste of
victory
over Uzu

Then let's
eat. The Old
Master's
also-marinated
mackerel. It's
your usual
bento.

Let's
dig in

O-Oh
yes

The first bento
I won by myself...

It tastes...

*really
delicious
...!!!*

huh...

True half-price
bento has the
taste of victory,
which makes it
different from
leftover bento

It's great,
right?
That's the
taste of
a bento
you won

How about
it, Bent?
Do you want
to give it
a shot?

Actually,
we're in a
club called the
Half-Prices!
Club, which
consists of
those who
seek half-price
bento

That's
how it is.
What are
you going
to do?

Even though
it was
a fluke...
she won't...
if she wants
to join...

Uzu...
it's okay,
right?

Yes!

I'll look
forward to
working with
experienced
Wolves such
as you two!!

what
I want
to
do!!

One
year
later —

We've
come all
the way
here, so
we have
to go in

Y-Yes—
B-but
you're so
brave

Are you
really
Oghin? ...I'm
knocking

Come in

The other
Wolves call
me "The
Ice Witch"

Welcome
to the
Half-
Pricers'
Club.
I'm Sen
Yarizui
